**Trish eyed
the monster...**

Bear Back

Randy hadn't been gone all that long when his girlfriend, Trisha, offered to give me head.

"Yeah, right." I laughed dismissively. "Sure thing, Trish."

Leaning against the passenger door in the cab of Randy's pickup truck, I searched her face and decided she wasn't kidding. Of course, this didn't make it okay, certainly didn't give me the green light to unzip my jeans and whip out my pecker. Randy was my friend and business partner. Messing around with his woman was a surefire way to get my ass kicked.

Or worse . . .

"Chicken shit," Trisha taunted me. "He'll be playing with his precious plants for at least fifteen minutes. Come on, Gary. I'll do you real quick."

"Drop it," I said, peering through the dirty windshield, eyeing the woods which had swallowed Randy no more than five minutes ago. His "precious plants" were a quarter of a mile—give or take—from the clearing where he had parked the truck. I had offered to go with him, but he had told me to sit tight and keep Trish company. Now I wondered if he had put her up to this as a test of my loyalty; perhaps he was thinking

about giving me a bigger slice of the pie and wanted to make damn sure that I was worth it.

"I'll make you explode—"

"That's enough, Trish!"

My outburst shut her up. She spent the next half hour in sullen silence, periodically smoking one of her nasty mentholated cigarettes to break the monotony. Finally, she said, "He's been gone a long time."

"Not that long," I countered.

"Longer than usual," she shot back.

"Randy's a big boy. He can take care of himself."

So much so, I thought, he hadn't even bothered to take the gun. Not that he was likely to run into trouble. Hell, we were out in the middle of fucking nowhere.

"Should we check on him?" she asked.

Needing to stretch my legs, I decided it was the ideal time to humor her. "Sure. Why not . . ."

She reached for the door handle.

"You stay put," I told her, opening the glove box and producing Randy's hand cannon.

Trish eyed the monster .44 hungrily, the same way she had sized me up when offering to suck my schlong. Her nipples stiffened at the sight of

the thing. I tried not to look as they tried to poke through her halter top.

She smiled coyly. "See something you like?"

"Don't get out of the truck," I said matter-of-factly, then slid out of the cabin and slammed the door.

Holding the gun beside my leg, I hiked through the woods with purposeful strides. My apprehension mounted as I neared the crop. What exactly would I find? Randy in handcuffs and surrounded by sheriff's deputies? Or something even worse?

I did a doubletake when I saw him—

Randy was perched on the uppermost branch of a tall pine tree, his colorless face twisted with terror as he eyed the biggest black bear I had ever seen.

I tried to imagine my friend scaling the tree, tried and failed. Randy was a big guy. The bear was bigger. And persistent. It wasn't going anywhere, not until it made Randy its next meal.

Crouched behind a small rise, I considered my options. I could come out of hiding and ambush the bear with a fusillade of hot lead. Or I could stay put and hope the ugly bastard lost interest in Randy and

moseyed on off. I couldn't drive into town for help, no way, not unless I wanted to go to jail for a very long time. Our marijuana crop was large enough to get half of the U.S. Army higher than giraffe pussy . . .

"Shit," I muttered, wishing I could make my presence known to Randy. He had to feel awfully alone up there in that tree, alone and scared out of his mind. But I couldn't let the bear see me, hear me. Not unless I went renegade cowboy on its ass and started shooting in a gun blazing blitzkrieg.

I thought about Trish waiting in the truck, thought about those stiff nipples and her brazen proposition. Fear of Randy had prevented me from accepting the blowjob. But that variable had been conveniently removed from the equation. Thanks to a certain black bear, Randy wasn't going anywhere.

I felt bad about abandoning my friend when he needed me most, but Trish was just too damned tempting. And Randy seemed safe enough up there on his branch. Try as it might, the bear couldn't climb the tree.

I'll do you real quick . . .

Trish's words spurred me into action. I retreated stealthily, retracing my steps through the woods,

finding Trish as I had left her. No sooner had I opened the passenger door than she said, "Where the hell is Randy?"

"Just like you said," I told her. "Indulging that green thumb of his. Looks like he'll be a while . . ."

"How long is a while?" she asked me.

"Long enough," I told her, leering lewdly, "for you and me to have ourselves a little party . . ."

Her face lit up. "Changed your mind, huh?"

I placed the gun atop the dashboard and scooted across the bench seat. Trish didn't delay in freeing my cock. As expected, she gave expert head. I sat there watching her dirty blonde noggin pump in my lap, this to the accompaniment of raunchy sucking and slurping sounds.

"Nice and hard for me," she said after coming up for a breather.

My jeans and boxer shorts were bunched around my booted feet on the floorboard. Deciding she lacked the patience to free my legs, Trish hiked up her denim miniskirt and straddled me cowgirl style. I pushed her panties to the side with one hand, using the other to guide my cock into her pussy. She gasped when I entered her, gasped and

threw her head back. I held her hips with both hands and thrust. She moved rhythmically, riding me with a slow grinding motion.

I ran my hand up her back and neck, wrapped my fingers around her elastic hair tie and yanked it free. Her dirty blonde ponytail came apart; wavy locks fanned wildly as she shook her head. She bucked with a greater urgency. Harder. Faster . . .

Then, just when I thought she was about to come, Trish stopped abruptly. She dismounted and turned around, giving me a nice view of her beautiful bum. Her ass was big and out of proportion with her slender physique, flaring seductively beneath a trim waist. I held my rigid tool steady as she impaled herself in the reverse cowgirl position.

Her fleshy caboose jiggled and clapped as she rode me. I reached around with one hand and rubbed her clit. She moaned delightedly. I rubbed her some more. This prompted her to up the pace, achieving a frenzied pogoing motion which excited me something fierce.

I blew my load inside her, filling Trish with a sizable load of jism. She came seconds later, shuddering and twitching as she leaned forward and placed her hands on the dashboard.

Randy and the bear had been temporarily forgotten. But my friend's predicament returned soon enough. I didn't mind. It was time for a demonstration. Trish needed to know the gravity of my situation should her boyfriend find out about what we had just done.

"Come on," I told her, grabbing the gun from the dashboard. "Let's go check on Randy . . ."

Her tennis shoes and short skirt were hardly ideal for trekking through the brush. Still, she managed well enough. I told her to slow down when we reached the rise. Holding a finger to my lips, I grabbed a hold of her shoulder and pushed her into a crouching position. Kneeling beside her, I pointed with the barrel of the menacing hand cannon.

Trish's face lost all color when she regarded the shocking tableau, her blue eyes bulging at the sight of Randy up there on his branch and the big black bear, growling and standing on its hind legs, clawing the base of the tree.

I started to stand. She grabbed my arm, looking at me like I had lost my mind. "Don't move," I whispered, a needless remark as she was

clearly paralyzed with fright.

The gun was heavy, a reassuring weight at the end of my arm, as I emerged from our hidey hole and moved toward the tree.

"You big ugly sonofabitch!" I hollered as loud as I could. "Come get you some of this!"

The bear turned around at the sound of my voice, losing all interest in Randy as it regarded me.

"Shoot it!" Randy screamed from his lofty perch.

His words had the effect of a starter's pistol. The bear charged me. Gripping the gun with both hands, struggling to keep them from shaking, I stood there and peered down the long barrel. The bear was even bigger than I had thought. And mad. A beastly black juggernaut from hell!

I had never been so scared in my life. If I missed or the bullet failed to do sufficient damage—well, the bear would rip me to ribbons. Then it would take care of Trish. And poor Randy couldn't stay up there forever.

The bear closed the gap, getting bigger and bigger and bigger. Trish screamed. I squeezed the trigger.

I missed. Fortunately, the bullet smashed into a big branch right

in front of it and the branch hit the bear. It spooked it mightily and it screeched to a halt some ten yards in front of me. I fired again and it took off to the right of me and Trish.

"Hell, yeah!" Randy whooped triumphantly. Emotionally spent, I lowered the gun and took a knee. Trish came out of hiding and crouched beside me. "That was fucking badass, Gary!"

"Shit, man," Randy's voice swooped down. "I'm glad you came when you did . . ."

"If he only knew," Trish giggled in my ear.

"Say one word about us to anybody," I told her, "and I'll end up runnin' like that bear, you hear me?"

The giggling ceased. Recognition dawned on her face. "He was up there all along . . . trapped while we were fucking in the truck . . ."

"Not one goddamned word," I said.

Randy climbed down and gave me a big hug. "I owe you for this one, Gary. Big time . . ."

He withdrew and embraced Trish. I stood aside, looking at the silver rod in my hand. Trish reached around Randy, stroked the warm muzzle and gave me a big wink.

She was wearing just a thin, black negligee, her voluptuous form filling out the almost see-through material.

My Best MILF, ever!

The party was going great at my buddy Leon's place. Lots to drink, eat, and ogle. There were some really hot girls in attendance, all of whom were giving me the cold shoulder, however.

So, I went upstairs to fire one off on the can if I couldn't actually get off at least thinking about them. Only when I reached the top of the stairs and walked down the hallway towards the john, the door then suddenly popped open and Leon's mom filled it.

"Hey Sammmmy how's the parrrrty going?" she slurred.

The busty brunette obviously had her own party going as she was slightly sloshed. She was wearing just a thin, black negligee, her voluptuous form filling out the almost see-through material. Her boobs just about spilling out of the top, bare fleshy legs pouring out from under the short hem.

"Oh, it was going good, Mrs. N., good. I was just..." was all I managed.

The 30-something cut me off. I watched as she rubbed her left hand up onto her boobs, squeezing the huge masses; then smoothed her right hand down in between her legs, rubbing her pussy with a gasp. "This gets me so hot," she breathed.

I bonered out right then and there, staring at my buddy's mother who had suddenly become a MILF right before my eyes. Her chestnut brown hair was sort of messed up from being in bed, and her face was lacking any flattering makeup, but the way she ardently massaged her jugs, excit-

edly rubbed her slit while looking me in the eyes at the same time, well my cock really needed to respond. Especially after getting the brush and the nose in the air from virtually everyone downstairs.

"I'm so horny Sammy," Mrs. N. moaned. "Can you help a lady out, Sammy?"

She lifted her negligee and showed me the dark, moist form of her pussy. Then she pulled the garment right up over her head, showing me all the rest of her. Her breasts hung huge and heavy, blue veined moons capped by swollen pink nipples. I stared at the naked cougar. She grabbed my hand and dragged me into her lair.

We landed on the bed, me on top of my buddy's hot mother. Her arms wrapped around my body and her mouth mashed up against mine; her lips soft and wet and hungry, breath wreaking of vodka from the bottle on her night stand.

I kissed her back, grabbing onto her tangled hair. Her tongue shot into my mouth and thrashed around. Her hands roamed down my back and onto my butt cheeks, claws sinking in. She sort of undulated beneath me. I rolled my hands over her soft splayed tits, my hard on pressing into her belly through my jeans, our tongues flailing together.

"Oh damn, Sammy! Fuck me, Sammy! I need it so bad! I need a man inside me so bad!" she demanded.

I was a man. I could get inside her, I thought.

She helped me to do just that, pushing me up and yanking down

BLAIR-NTS-10

I set a fat nipple into my mouth and nursed, reaching a hand down to pet the ladies moist and aromatic pussy.

my zipper, pulling my pulsating meat out of my briefs. I grunted as her warm, experienced hand found and swirled up, down and around its hardness, making me even harder and longer.

Then she pulled my cock hard and put it into her damp pussy and I cried out. She slammed my bloated cock deep into her and took my entire shaft into her love tunnel. MILFy was just as wet and hot, and just about as tight as any woman years younger. My balls squished up against her downy fur, my dick buried deep into her gripping pink sleeve.

"Yes. Sammy! Fuck me Sammy!" she urged loudly, again showing me the way by pulling my butt up and down so my dick went deep back and forth inside her.

I gripped her big mounds and slammed them together pumping my hips on my own as my dick drove hard into her. We both moaned. I mouthed and mauled her nipples, swallowing up one turgid nipple and sucking Mrs. N.'s other engorged spigot as I torqued up ramming speed, flat out talking the steaming MILF.

The bed creaked and our breath came out in gasps. I shoved up a spit-slick boobie so Mrs. N. could suck on it herself as we bounced against each other. Her fingernails sunk an inch deep into my clenching buttocks through my jeans, and she screamed, shuttered, coming hard and wet.

Hot pussy juice squirted against my groin and all around my dick. The mature babe's super boobs shook out of control in my hands,

like the rest of her outrageous body beneath me.

"Oh damn, Sammy, you're making me cum!" she squealed. "Come inside me baby! It's okay."

It was too much for me. Sweat was pouring off my face and down into her open screaming mouth, my thumping cock surging rock hard in Mrs. N.'s convulsing wet pussy, my balls shimmering with boiling jizz. I frantically thrust as fast as my hips could take me. She grabbed my head and slammed my mouth down onto hers, filled it with tongue and her ecstasy, and in another minute I exploded inside her.

Blast after blast doused her tunnel, setting her off again, sending me into orgasmic space. I came and came and came, emptying the biggest load I've ever blown, never wanting to come down.

When it was finally over, we lay in each other's arms, my head cushioned against her amply full boobies.

"Maybe we can have our own private parties from now on, Sammy, just you and moi." Mrs. N. murmured. "Just you and me."

I set a fat nipple into my mouth and nursed, reaching a hand down to pet the ladies moist and aromatic pussy. "There's gonna be a party in my pants even when I see you from now on, Mrs. N." I murmured. "And you're the guest of honor."

Needless to say, there was no reason to go back downstairs. The drone of the party faded as did I and ultimately fell asleep cuddled in her bosom as she ran her fingers through my hair.
